Wakes & Celebrations of Life

21 Naas Road, Tharwa ACT
30 minutes from Canberra CBD

Cuppacumbalong is a peaceful, private heritage homestead on the banks of the Murrumbidgee River – a setting that offers families the space, calm, and privacy they need at an impossibly difficult time.

We work closely with funeral directors and families to make arrangements simple. We can often accommodate bookings at short notice, and our team handles every detail with care and discretion.
